

Committee has taken note of this and criticised the Government in regard to this particular aspect. Under these circumstances, I think you, Madam, should not permit them to place these notifications on the table today. As the Hon'ble Member Sri Kagodu Thimmappa has already stated, the question has already gone to the High Court and the High Court has struck it down. The only reason for bringing them in at this stage appears to be that they want to circumvent and bring them back from the back door which we cannot accept; it is totally a wrong position. This must be the ruling of the Hon'ble Speaker

SRI H. M. CHANNABASAPPA (Minister for Health).—I quite see the force of the argument of Sri Kagodu Thimmappa and Sri Krishnan. Straightaway I cannot say the circumstances under which they were not placed on the table immediately after they were issued. The facts are not before me. I shall, however, make a submission in this behalf tomorrow.

SRI M. S. KRISHNAN.—If the Government may make a statement tomorrow saying that there has been a delay for some reason or the other, my submission is that such a delay should not be condoned because already our Subordinate Legislation Committee has taken note of it and castigated the Government for that lapse.

MADAM SPEAKER.—Let us hear the Government.
